Sec. 7-1-2 Rabies Vaccination Required for License.

- (a) **Rabies Vaccination.** The owner of a dog shall have the dog vaccinated against rabies by a veterinarian within thirty (30) days after the dog reaches four (4) months of age and revaccinated within one (1) year after the initial vaccination. If the owner obtains the dog or brings the dog into the Village of Cadott after the dog has reached four (4) months of

age, the owner shall have the dog vaccinated against rabies within thirty (30) days after the dog is brought into the Village unless the dog has been vaccinated as evidenced by a current certificate of rabies vaccination. The owner of a dog shall have the dog revaccinated against rabies by a veterinarian before the date of that immunization expires as stated on the certificate of vaccination or, if no date is specified, within two (2) years after the previous vaccination. The certificate of vaccination shall meet the requirements of Sec. 95.21(2), Wis. Stats.

- (b) **Issuance of Certificate of Rabies Vaccination.** A veterinarian who vaccinates a dog against rabies shall complete and issue to the owner a certificate of rabies vaccination bearing a serial number and in the form approved by the Village stating the owner's name and address, the name, sex, spayed or unspayed, neutered or unneutered, breed and color of the dog, the date of the vaccination, the type of rabies vaccination administered and the manufacturer's serial number, the date that the immunization expires as specified for that type of vaccine by the Center for Disease Control of the U.S. Department of Health and Human Services and the Village.

- (d) **Rabies Vaccination Tag.** After issuing the certificate of rabies vaccination, the veterinarian shall deliver to the owner a rabies vaccination tag of durable material bearing the same serial number as the certificate, the year the vaccination was given and the name, address and telephone number of the veterinarian.

The substitute tag shall be of a durable material and contain the same information as the rabies vaccination tag. The requirements of this paragraph do not apply to a dog which is not required to be vaccinated under Subsection (a).
- (f) **Duplicate Tag.** The veterinarian may furnish a new rabies vaccination tag with a new serial number to an owner in place of the original tag upon presentation of the certificate of rabies vaccination. The veterinarian shall then indicate the new tag number on the certificate and keep a record in the file.
- (g) **Cost.** The owner shall pay the cost of the rabies vaccination and the cost associated with the issuance of a certificate of rabies vaccination and the delivery of a rabies vaccination tag.

Sec. 7-1-3 Issuance of Dog and Kennel Licenses.

(a) Dog Licenses.

- (1) It shall be unlawful for any person in the Village of Cadott to own, harbor or keep any dog more than five (5) months of age without complying with the provisions of

Sec. 174.05 through Sec. 174.10, Wisconsin Statutes, relating to the listing, licensing and tagging of the same.

- (2) The owner of any dog more than five (5) months of age on January 1 of any year, or five (5) months of age within the license year, shall annually, or on or before the date the dog becomes five (5) months of age, pay a license tax and obtain a license.
- (3) The minimum license tax under this Section shall be:
 - a. Neutered males and spayed females: See Sec. 1-3-1.
 - b. Unneutered males and unspayed females: See Sec. 1-3-1.
- (4) Upon payment of the required license tax and upon presentation of evidence that the dog is currently immunized against rabies, as required by Section 7-1-2 of this Chapter, the Village Clerk-Treasurer shall complete and issue to the owner a license for such dog containing all information required by state law. The Village Clerk-Treasurer shall also deliver to the owner, at the time of issuance of the license, a tag of durable material bearing the same serial number as the license, the name of the county in which issued and the license year.
- (5) The owner shall securely attach the tag to a collar and the collar with the tag attached shall be kept on the dog for which the license is issued at all times, except as provided in Section 7-1-2(e).
- (6) The fact that a dog is without a tag attached to the dog by means of a collar shall be presumptive evidence that the dog is unlicensed. Any law enforcement or humane officer shall seize, impound or restrain any dog for which a dog license is required which is found without such tag attached.
- (7) Notwithstanding the foregoing, every dog specifically trained to lead blind or deaf persons is exempt from the dog license tax, and every person owning such a dog shall receive annually a free dog license from the Village Clerk-Treasurer upon application therefor.

(b) **Kennel Licenses.**

- (1) Any person who keeps or operates a kennel may, instead of the license tax for each dog required by this Chapter, apply for a kennel license for the keeping or operating of the kennel. Such person shall pay for the license year a license tax as prescribed in Sec. 1-3-1 for a kennel of twelve (12) or fewer dogs and an additional fee for each dog in excess of twelve (12). Upon payment of the required kennel license tax and, if required by the Village Board, upon presentation of evidence that all dogs over five (5) months of age are currently immunized against rabies, the Village Clerk-Treasurer shall issue the kennel license and a number of tags equal to the number of dogs authorized to be kept in the kennel. Kennels may only be located in residential areas following a public hearing and approval by the Village Board; the Board may attach conditions to such approval as a conditional use under the Village's Zoning Code. When permitted, no kennel shall be located closer than one hundred (100) feet to the boundary of the nearest adjacent residential lot.
- (2) The owner or keeper of a kennel shall keep at all times a kennel license tag attached to the collar of each dog over five (5) months old kept by the owner or keeper under

a kennel license but this requirement does not apply to a show dog during competition, to a dog securely confined indoors or to a dog securely confined in a fenced area. These tags may be transferred from one dog to another within the kennel whenever any dog is removed from the kennel. The rabies vaccination tag or substitute tag shall remain attached to the dog for which it is issued at all times but this requirement does not apply to a show dog during competition, to a dog securely confined indoors or to a dog securely confined in a fenced area. No dog bearing a kennel tag shall be permitted to stray or to be taken anywhere outside the limits of the kennel unless the dog is in leash or temporarily for the purposes of hunting, breeding, trial, training or competition.

- (3) The term "kennel" means any establishment wherein or whereon three (3) or more dogs are kept.
- (4) No kennel license shall be issued to the keeper or operator of a kennel who fails to provide proper food and drink and proper shelter for the dogs in said kennel or who neglects or abandons said dogs. Designated officials shall investigate any complaints regarding the failure to maintain proper standards or investigate any kennel premises upon his/her own initiative. Expressly incorporated by reference in this Section as minimum standards for kennel keepers or operator are the relevant provisions of Chapter 948 of the Wisconsin Statutes.
- (5) A condition of a kennel license shall be that the licensed premises may be entered and inspected at any reasonable hour by appropriate Village officials without any warrant, and the application for a license hereunder shall be deemed a consent to this provision. Any refusal to permit such inspection shall automatically operate as a revocation of any license issued hereunder and shall be deemed a violation of this Section. Should any kennel be found to constitute a public nuisance, the license shall be revoked and the nuisance abated pursuant to Village ordinances.

State Law Reference: Sec. 174.053, Wis. Stats.

Sec. 7-1-4 Late Fees.

The Village Clerk-Treasurer shall assess and collect a late fee of Five Dollars (\$5.00) from every owner of a dog five (5) months of age or over if the owner failed to obtain a license prior to April 1 of each year, or within thirty (30) days of acquiring ownership of a licensable dog or if the owner failed to obtain a license on or before the dog reached licensable age. Said late fee shall be charged in addition to the required license fee.

Sec. 7-1-5 Rabies Quarantine.

- (a) **Dogs and Cats Confined.** If a district is quarantined for rabies, all dogs and cats within the Village shall be kept securely confined, tied, leashed or muzzled. Any dog or cat not confined, tied, leashed or muzzled is declared a public nuisance and may be impounded.

All officers shall cooperate in the enforcement of the quarantine. The Village Clerk-Treasurer shall promptly post in at least three (3) public places in the Village notices of quarantine.

- (b) **Exemption of Vaccinated Dog or Cat from Village Quarantine.** A dog or cat which is immunized currently against rabies, as evidenced by a valid certificate of rabies vaccination or other evidence, is exempt from the Village quarantine provisions of Subsection (a) if a rabies vaccination tag or substitute tag is attached to the dog's or cat's collar.
- (c) **Quarantine or Sacrifice of an Animal Suspected of Biting a Person or Being Infected or Exposed to Rabies.**
 - (1) **Quarantine or sacrifice of dog or cat.** An officer or animal warden shall order a dog or cat quarantined if the officer has reason to believe that the animal bit a person, is infected with rabies or has been in contact with a rabid animal. If a quarantine cannot be imposed because the dog or cat cannot be captured, the officer may kill the animal. The officer shall attempt to kill the animal in a humane manner and in a manner which avoids damage to the animal's head.
 - (2) **Sacrifice of other animals.** An officer may order killed or may kill an animal other than a dog or cat if the officer has reason to believe that the animal bit a person or is infected with rabies.
- (d) **Quarantine of Dog or Cat.**

 - (2) **Health risk to humans.** If a dog or cat is ordered to be quarantined because there is reason to believe that the animal bit a person, the custodian of an isolation facility or the owner shall keep the animal under strict isolation under the supervision of a veterinarian for at least ten (10) days after the incident occurred. In this paragraph, "supervision of a veterinarian" includes, at a minimum, examination of the animal on the first day of isolation, on the last day of isolation and on one (1) intervening day. If the observation period is not extended and if the veterinarian certifies that the dog or cat has not exhibited any signs of rabies, the animal may be released from quarantine at the end of the observation period.
 - (3) **Risk to animal health.**
 - a. If a dog or cat is ordered to be quarantined because there is reason to believe that the animal has been exposed to a rabid animal and if the dog or cat is not currently immunized against rabies, the custodian of an isolation facility or the owner shall keep the animal leashed or confined for one hundred eighty (180) days. The owner shall have the animal vaccinated against rabies between one

- hundred fifty-five (155) and one hundred sixty-five (165) days after the exposure to a rabid animal.
- b. If a dog or cat is ordered to be quarantined because there is reason to believe that the animal has been exposed to a rabid animal but if the dog or cat is immunized against rabies, the custodian of an isolation facility or the owner shall keep the animal leashed or confined for sixty (60) days. The owner shall have the animal revaccinated against rabies as soon as possible after exposure to a rabid animal.
- (4) ***Destruction of a dog or cat exhibiting symptoms of rabies.*** If a veterinarian determines that a dog or cat exhibits symptoms of rabies during the original or extended observation period, the veterinarian shall notify the owner and the officer who ordered the animal quarantined and the officer or veterinarian shall kill the animal in a humane manner and in a manner which avoids damage to the animal's head. If the dog or cat is suspected to have bitten a person, the veterinarian shall notify the person or the person's physician.
- (e) **Delivery of Carcass; Preparation; Examination by Laboratory of Hygiene.** An officer who kills an animal shall deliver the carcass to a veterinarian or local health department. The veterinarian or local health department shall prepare the carcass, properly prepare and package the head of the animal in a manner to minimize deterioration, arrange for delivery by the most expeditious means feasible of the head of the animal to the State Laboratory of Hygiene and dispose of or arrange for the disposal of the remainder of the carcass in a manner which minimizes the risk or exposure to any rabies virus. The Laboratory of Hygiene shall examine the specimen and determine if the animal was infected with rabies. The State Laboratory of Hygiene shall notify the Village, the veterinarian or local health department which prepared the carcass and, if the animal is suspected to have bitten a person, that person or the person's physician.
- (f) **Cooperation of Veterinarian.** Any practicing veterinarian who is requested to be involved in the rabies control program by an officer is encouraged to cooperate in a professional capacity with the Village, the Laboratory of Hygiene, the local health department, the officer involved and, if the animal is suspected to have bitten a person, the person's physician.
- (g) **Responsibility for Quarantine and Laboratory Expenses.** The owner of an animal is responsible for any expenses incurred in connection with keeping the animal in an isolation facility, supervision and examination of the animal by a veterinarian, preparation of the carcass for laboratory examination and the fee for the laboratory examination. If the owner is unknown, the county is responsible for these expenses.

All persons issued a license to sell alcohol beverages in the Village for which a quota exists limiting the number of such licenses that may be issued by the Village shall cause such business described in such license to be operated on the premises described in such license for at least one hundred fifty (150) days during the terms of such license and be open for business, at a minimum, for at least four (4) consecutive hours two (2) days per week, unless such license is issued for a term of less than one hundred eighty (180) days, in which event this Subsection shall not apply.

Sec. 7-2-19 Outdoor Sports and Beer Gardens Activities Regulated.

- (a) **Purpose.** The Village Board finds that restrictions are necessary for outdoor beer gardens and sports activities at premises holding "Class B" and Class "B" liquor and fermented malt beverages licenses due to concerns arising from noise, density and related problems. The Village Board may waive the fifteen (15) day time limit upon a Licensee's showing of exigent circumstances. The application shall be accompanied by payment of a fee of Twenty Dollars (\$20.00) for review of the application. The applicant may request that an annual permit be issued for the beer garden or outdoor sports activities.
- (e) **Review.** The Village Board shall review the applications in light of the standards of this Section. If the nature of the property or the event requires the imposition of additional regulations, the Village Board may impose these regulations upon an express finding detailing the reasons for additional regulation. All property owners within one hundred fifty (150) feet of the proposed beer garden or outside sports facility shall be notified of the pendency of application for a permit by first class mail.
- (f) **Outdoor Sports Activity Standards.** The following standards shall apply to any outdoor sports activity regulated under this Section:
 - (1) Approval of an application shall not act to permit outdoor consumption of alcohol beverages on the property beyond the area specifically licensed.
 - (2) If the estimated number of participants and spectators shall bring the number of persons on the property above the number for which licensed premises' restroom facilities are rated adequate, the Licensee shall provide a number of portable temporary restrooms sufficient to serve the estimated number of persons.
 - (3) The Village Board shall not grant approval to any applicant whose property on which the activity or event is proposed is adjacent to any property zoned residential or on which a residential use exists as a nonconforming use, or within one hundred (100) feet of any property zoned residential or on which a residential use exists as a nonconforming use. - (g) **Limitations on Issuance of Beer Garden Permits.** No permit shall be issued for a beer garden if any part of the beer garden is within fifty (50) feet of a structure used for residential purposes, except residential uses located in the same structure as the licensed premises. No permit shall be issued for a beer garden if the beer garden area is greater than fifty percent (50%) of the gross floor area of the adjoining licensed premises. Each applicant for a beer garden permit shall accurately describe the area intended for use as a beer garden and shall indicate the nature of fencing or other measures intended to provide control over the operation of the beer garden. Every beer garden shall be completely enclosed with a fence or wall not less than seven (7) feet in height, approved by the Village Board prior to construction. No amplified sound or music is permitted outside the enclosed (building) premises. Amplified sound or music is not permitted in the beer garden. - (h) **State Statutes Enforced Within Beer Garden.** Every permittee under this Section shall comply with and enforce all provisions of Chapter 125, Wis. Stats., applicable to Class "B" licensed premises, except insofar as such provisions are clearly inapplicable. Violation of the provisions of Chapter 125, Wis. Stats., shall be grounds for immediate revocation of the outdoor sports activity or beer garden permit by the Village Board.
- (i) **Violations.** Failure of the Licensee to comply with any of the provisions of this Section shall be grounds for suspension, nonrenewal or revocation of the Licensee's alcohol beverage license or licenses.

Sec. 7-2-20 Nude Dancing in Licensed Establishments Prohibited.

- (a) **Authority.**
 - (1) The Village Board of the Village of Cadott has explicit authority under Sec. 125.10(1), Wis. Stats., to adopt regulations governing the sale of alcohol beverages which are in addition to those set forth in Ch. 125, Wis. Stats.; and
 - (2) The Village Board has authority under its general police powers set forth in Sec. 62.11(5), Wis. Stats., to act for the good order of the municipality and for the health, safety and welfare of the public; and may carry out its powers by regulation and suppression; and

- (3) The Village Board recognizes it lacks authority to regulate obscenity in light of Sec. 66.051(3), Wis. Stats., and does not intend by adopting this Section to regulate obscenity, since nudity in and of itself is not obscene, it declares its intent to enact an ordinance addressing the secondary effects of live, totally nude, non-obscene, erotic dancing in bars and taverns; and
 - (4) Bars and taverns featuring live totally nude, non-obscene, erotic dancing have in other communities tended to further the increase of criminal and other offensive activity, to disrupt the peace and order of the communities, to depreciate the value of real property, to harm the economic welfare of the communities and to negatively affect the quality of life of the communities; and such secondary effects are detrimental to the public health, safety and general welfare of citizens; and
 - (5) The Village Board recognizes the U.S. Supreme Court has held that nude dancing is expressive conduct within the outer perimeters of the First Amendment to the United States Constitution and therefore entitled to some limited protection under the First Amendment, and the governing body further recognizes that freedom of speech is among our most precious and highly protected rights, and wishes to act consistently with full protection of those rights; and
 - (6) However, the Village Board is aware, based on the experiences of other communities, that bars and taverns in which live, totally nude, non-obscene, erotic dancing occurs may and do generate secondary effects which the governing body believes are detrimental to the public health, safety and welfare of the citizens of the Village of Cadott; and
 - (7) Among these secondary effects are:
 - a. The potential increase in prostitution and other sex-related offenses, as well as other crimes and offenses;
 - b. The potential depreciation of property values in neighborhoods where bars and taverns featuring nude dancing exist;
 - c. Health risks associated with the spread of sexually transmitted diseases; and
 - d. The potential for infiltration by organized crime for the purpose of unlawful conduct; and
 - (8) The Village Board desires to minimize, prevent and control these adverse effects and thereby protect the health, safety and general welfare of the citizens of the Village of Cadott; protect the citizens from increased crime; preserve the quality of life; preserve the property values and character of surrounding neighborhoods; and deter the spread of urban blight; and
 - (9) The Village Board has determined that enactment of an ordinance prohibiting live, totally nude, non-obscene, erotic dancing in bars and taverns licensed to serve alcohol beverages promotes the goal of minimizing, preventing and controlling the negative secondary effects associated with such activity.
- (b) **Nude Dancing in Licensed Establishments Prohibited.** It is unlawful for any person to perform or engage in, or for any licensee or manager or agent of the licensee to permit

any person, employee, entertainer or patron to perform or engage in any live act, demonstration, dance or exhibition on the premises of a licensed establishment which:

- (1) Shows his/her genitals, pubic area, vulva, anus, anal cleft or cleavage with less than a fully opaque covering; or
- (2) Shows any portion of the female breast below a point immediately above the top of the areola; or
- (3) Shows the covered male genitals in a discernably turgid state.

- (c) **Exemptions.** The provisions of this Section does not apply to the following licensed establishments; theaters, performing arts centers, civic centers, and dinner theaters where live dance, ballet, music and dramatic performances of serious artistic merit are offered on a regular basis and in which the predominant business or attraction is not the offering to customers of entertainment which is intended to provide sexual stimulation or sexual gratification to such customers and where the establishment is not distinguished by an emphasis on, or the advertising or promotion of, employees engaging in nude erotic dancing.
- (d) **Definitions.** For purposes of this Section, the term "licensed establishment" means any establishment licensed by the Village Board of the Village of Cadott to sell alcohol beverages pursuant to Ch. 125, Wis. Stats. The term "licensee" means the holder of a retail "Class A", "Class B", Class "B", Class "A", or "Class C" licensee granted by the Village Board of the Village of Cadott pursuant to Ch. 125, Wis. Stats.
- (e) **Penalties.** Any person, partnership or corporation who violates any of the provisions of this Section shall be subject to a forfeiture pursuant to Section 1-1-6. A separate offense and violation shall be deemed committed on each day on which a violation occurs or continues. In addition, violation of this Section constitutes sufficient grounds for suspending, revoking or non-renewing an alcohol beverage license under Sec. 125.12, Wis. Stats.

Sec. 7-2-21 through Sec. 7-2-29 Reserved for Future Use.

Article B: Operator's License

Sec. 7-2-30 Operator's License Required.

- (a) **Operator's Licenses; Class "A", Class "B" or "Class C" Premises.** Except as provided under Sec. 125.32(3)(b) and Sec. 125.07(3)(a)10, Wis. Stats., no premises operated under a Class "A", Class "B", or "Class C" license or permit may be open for business unless there is upon the premises the Licensee or permittee, the agent named in the license or permit if the Licensee or permittee is a corporation, or some person who has an operator's license and who is responsible for the acts of all persons serving any fermented malt beverages to customers. An operator's license issued in respect to a vessel under Sec. 125.27(2), Wis. Stats., is valid outside the municipality that issues it. For the purpose of this Section, any person holding a manager's license under Sec. 125.18, Wis. Stats., or any member of the Licensee's or permittee's immediate family who has attained the age of eighteen (18), shall be considered the holder of an operator's license. No person, including a member of the Licensee's or permittee's immediate family, other than the Licensee, permittee or agent, may serve fermented malt beverages in any place operated under a Class "A", Class "B", or "Class C" license or permit unless he or she has an operator's license or is at least eighteen (18) years of age and is under the immediate supervision of the Licensee, permittee, agent or a person holding an operator's license, who is on the premises at the time of the service.
- (b) **Use by Another Prohibited.**
- (1) No person may allow another to use his or her Class "A" or Class "B" license or permit to sell alcohol beverages.
 - (2) The license or permit of a person who violates Subsection (b)(1) above shall be revoked.

State Law Reference: Sections 125.17 and 125.32, Wis. Stats.

Sec. 7-2-31 Procedure Upon Application.

- (a) The Village Board may issue an operator's license, which license shall be granted only upon application in writing on forms to be obtained from the Village Clerk-Treasurer only to persons eighteen (18) years of age or older. Operator's licenses shall be operative only within the limits of the Village.
- (b) All applications are subject to an investigation by Village-designated law enforcement authorities and/or other appropriate authority to determine whether the applicant and/or premises to be licensed complies with all regulations, ordinances and laws applicable thereto. The investigating authority shall conduct an investigation of the applicant including, but not limited to, requesting information from the State, surrounding municipi-

palities, and/or any community where the applicant has previously resided concerning the applicant's arrest and conviction record. Based upon such investigation, the investigating authority shall recommend, in writing, to the Village Board approval or denial of the application. If the investigating authority recommends denial, the investigating authority shall provide, in writing, the reasons for such recommendation.

Sec. 7-2-32 Duration.

Licenses issued under the provisions of this Chapter shall be valid for a period of either one (1) or two (2) years and shall expire on the thirtieth (30th) day of June.

Sec. 7-2-33 Operator's License Fee; Provisional or Temporary Licenses.

- (a) **Fee.** The fee for a one (1) year operator's license shall be as prescribed in Section 1-3-1 for the term or part thereof. The fee for a two (2) year operator's license shall be as prescribed in Section 1-3-1. The non-refundable fee for a provisional license shall be as prescribed in Section 1-3-1. There shall be no fee for a temporary operator's license.
- (b) **Provisional License.** The Village Clerk-Treasurer may issue provisional operator's licenses in accordance with Sec. 125.17(5), Wis. Stats. The provisional operator's license shall expire sixty (60) days after its issuance or when an operator's license is issued to the holder, whichever is sooner. The Chief of Police shall submit to the Clerk-Treasurer a report regarding the applicant's conviction history, if any. The applicant for such provisional license must present evidence to the Clerk-Treasurer establishing that the applicant is enrolled in an Alcohol Awareness Training Program established pursuant to Sec. 125.17(a), Wis. Stats. The Village Clerk-Treasurer may, upon receiving an application for a temporary provisional license, issue such a license without requiring the successful completion of the approved program as described herein. However, such temporary license shall be used only for the purpose of allowing such applicant the privilege of being licensed as a beverage operator pending his/her successful completion of the approved program, and the applicant shall also apply for a regular operator's license. No such Provisional Operators License shall be issued prior to a waiting period of less than ninety-six (96) hours [four (4) days], and the completion of a background check subject to limitations established by law. A provisional license may not be issued to any person who has been denied an operator's license by the Village Board, who has had his/her operator's license revoked or suspended within the preceding twelve (12) months, or who previously held an operator's license and who failed to complete the Alcohol Awareness Training Program without first successfully completing the program. The Village Clerk-Treasurer shall provide an appropriate application form to be completed in full by the applicant. The Village Clerk-

Treasurer may revoke the provisional license issued if he/she discovers that the holder of the license made a false statement on the application. A provisional license shall not be renewed.

- (c) **Temporary License.** The Village Clerk-Treasurer may issue a temporary operator's license provided that:
- (1) The temporary operator's license may be issued only to operators employed by, or donating their services temporarily to, nonprofit corporations.
 - (2) No person may hold more than two (2) temporary operator's licenses per year.
 - (3) The temporary operator's license is valid for any period from one (1) day to fourteen (14) days, and the period for which it is valid shall be stated on the license.

Sec. 7-2-34 Issuance or Denial of Operator's Licenses.

- (a) After the Village Board approves the granting of an operator's license, the Village Clerk-Treasurer shall issue the license. Such licenses shall be issued and numbered in the order they are granted and shall give the applicant's name and address and the date of the expiration of such license.
- (b)
 - (1) If the application is denied by the Village Board, the Village Clerk-Treasurer shall, in writing, inform the applicant of the denial, the reasons therefore, and of the opportunity to request a reconsideration of the application by the Village Board in a closed session. Such notice must be sent by registered mail to, or served upon, the applicant at least ten (10) days prior to the Village Board's reconsideration of the matter. At such reconsideration hearing, the applicant may present evidence and testimony as to why the license should be granted.
 - (2) If, upon reconsideration, the Village Board again denies the application, the Village Clerk-Treasurer shall notify the applicant in writing of the reasons therefore. An applicant who is denied any license upon reconsideration of the matter, may apply to Circuit Court pursuant to Sec. 125.12(2)(d), Wis. Stats., for review.
- (c)
 - (1) Consideration for the granting or denial of a license will be based on:
 - a. Arrest and conviction record of the applicant, subject to the limitations imposed by Sections 111.321, 111.322, and 111.335, Wis. Stats.;
 - b. The financial responsibility of the applicant;
 - c. The appropriateness of the location and the premises where the licensed business is to be conducted; and
 - d. Generally, the applicant's fitness for the trust to be reposed.
 - (2) If a Licensee is convicted of an offense substantially related to the licensed activity, the Village Board may act to revoke or suspend the license.
- (d) An application may be denied based upon the applicant's arrest and conviction record if the applicant has been convicted of a felony (unless duly pardoned) or if the applicant has habitually been a law offender. For purposes of this licensing procedure, "habitually been

a law offender" is generally considered to be an arrest or conviction of at least two (2) offenses which are substantially related to the licensed activity within the five (5) years immediately preceding the license application. Because a license is a privilege, the issuance of which is a right granted solely to the Village Board, the Village Board reserves the right to consider the severity, and facts and circumstances of the offense when making the determination to grant, deny or not renew a license. Further, the Village Board, at its discretion, may, based upon an arrest or conviction record of two (2) or more offenses which are substantially related to the licensed activity within the five (5) years immediately preceding, act to suspend such license for a period of one (1) year or more.

Sec. 7-2-35 Training Course.

- (a) Except as provided in Subsection (b) below, the Village Board may not issue an operator's license unless the applicant has successfully completed a responsible beverage server training course at any location that is offered by a vocational, technical and adult education district and that conforms to curriculum guidelines specified by the board of vocational, technical and adult education or a comparable training course that is approved by the educational approval board or unless the applicant fulfills one of the following requirements:
 - (1) The person is renewing an operator's license.
 - (2) Within the past two (2) years, the person held a Class "A", Class "B", "Class A", "Class B", or "Class C" license or permit or a manager's or operator's license.
 - (3) Within the past two (2) years, the person has completed such a training course.
- (b) The Village Board may issue a provisional operator's license to a person who is enrolled in a training course under Subsection (a) above and shall revoke that license if the applicant fails successfully to complete the course in which he or she enrolls.
- (c) The Village Board may not require that applicants for operators' licenses undergo training in addition to that under Subsection (a), but may require applicants to purchase, at cost, materials that deal with relevant local subjects not covered in the course under Subsection (a).

Sec. 7-2-36 Display of License.

Each license issued under the provisions of this Chapter shall be posted on the premises whenever the operator dispenses beverages or be in his/her possession, or carry a license card.

Sec. 7-2-37 Revocation of Operator's License.

Violation of any of the terms or provisions of the State law or of this Chapter relating to operator's licenses by any person holding such operator's license shall be cause for revocation of the license.

Sec. 7-2-38 through Sec. 7-2-39 Reserved for Future Use.

 - s. Elevated or irregular heart rates; and
 - t. death.
- (4) Due to the manner in which such synthetic substances are marketed, the manufacture and sale of synthetic drugs is purportedly not fully regulated by the federal Food And Drug Administration (FDA) and/or federal drug enforcement authorities.
 - (5) Because slight molecular alterations can be made to chemical compounds, law enforcement authorities have often found it difficult to take enforcement actions against manufacturers and sellers of synthetic drug products. Synthetic drugs are currently being sold without even basic regulation and licensing requirements of the type other businesses in the Village must comply with.
 - (6) Like the marketing of synthetic cannabinoids [such as, but not limited to, Spice/K2], as incense, these substances are commercially available and in some instances are marketed as "bath salts" under such names as Bliss, Vanilla Sky, White Lightning, Ivory Snow, Red Dove and Hurricane Charlie, or are packaged or marketed as potpourri, incense, plant food, spice, tobacco, or dietary supplements.
 - (7) The establishment of retail points of sale for synthetic drug products in the Village of Cadott would increase the use of synthetic drugs, and would likely have negative secondary effects on nearby businesses and residences.
- (b) **Statement of Purpose.** This Chapter provides certain minimum licensing standards for establishments making available to the public synthetic drugs. The purpose of this Chapter is not to condone illegal activity nor is it to legitimize activity that may now, or in the future, be considered illegal activity under state or federal laws or local ordinances.

Sec. 7-11-2 Definitions.

For purposes of this Chapter, the following words and phrases shall have the following meanings:

- (a) **Synthetic Drug.** The term "synthetic drug" means one (1) or more of the following:

 - (4) A substance that a person knows or should have known was intended to be consumed by ingestion, inhalation, injection or any other immediate means, and consumption

was intended to cause or simulate a depressant, stimulant or hallucinogenic effect on the central nervous system that is substantially similar to or greater than the depressant, stimulant or hallucinogenic effect on the central nervous system of a controlled substance on Schedule I through V as defined in Chapter 961, Wis. Stats. "Synthetic drug" does not mean legal food or drug ingredients, prescription drugs, alcohol, tobacco or dietary supplements.

- (b) **Synthetic Drug Establishment.** Any business establishment where a person engages in the sale or giving away of synthetic drugs.

Sec. 7-11-3 Licensing of Synthetic Drug Establishments.

- (a) **License Required.** No person shall engage in the business of owning and/or operating a synthetic drug establishment, either exclusively or in connection with any other business enterprise, in the Village of Cadott without first obtaining a license for each synthetic drug establishment. Each licensee shall be eighteen (18) years of age or older.
- (b) **License Applications.**

 - (2) An annual license per Sec. 1-3-1 shall be paid at the time the application is filed with the Village Clerk-Treasurer. The fee will not be prorated and is non-refundable. A separate license shall be obtained for each place of business. Unless suspended or revoked, a license shall be effective from January 1 through December 31 annually.
- (c) **Investigation; Report; Delinquent Taxes.**
- (1) The Village Clerk-Treasurer shall notify the Chief of Police and, as appropriate, other pertinent law enforcement agencies, Fire Inspector and health inspection officials of

each new and renewal application. Such authorities shall investigate whether the applicant and/or premises subject to licensing will be able to comply with all regulations, ordinances and laws applicable thereto, including, but not limited to, requesting information from the State of Wisconsin, other states, municipalities and/or any community where the applicant has previously resided or operated a business concerning the applicant's arrest and conviction record.

- (2) Based upon such investigations, the Chief of Police, other pertinent law enforcement agencies, Fire Inspector and health inspection officials shall recommend, in writing, to the Village Board approval, conditional approval or denial, with the reasons provided for such recommendation.

- (2) If the Village Board, Chief of Police or other Village official finds that they have insufficient information to evaluate the license application, they may request that the applicant or his/her agent file an amended application or appear at a reasonable time and place to give under oath information concerning the application. No license shall be granted to any applicant who refuses to cooperate with the investigation process or who fails to appear, personally or by his/her agent, before the Village Board when the license application is under consideration.
- (3) No license under this Chapter shall be issued unless it is approved by the Village Board, upon the recommendation of the Chief of Police and other investigating/inspecting authorities, and unless the establishment has passed fire and health inspections. The Village Board shall not approve any new or renewal license application if there are reasonable grounds to believe that:
 - a. The granting of said license would result in a violation(s) of the law;
 - b. The license application contains false or misleading information or statements;
 - c. The location of the proposed licensed premises is not appropriate; and/or
 - d. Other good cause exists for denying the license.
- (4) An application may be denied based upon the applicant's or his/her manager's arrest and conviction record if the applicant or his/her manager has been convicted of a felony (unless duly pardoned) or if the applicant or manager has habitually been a law offender. For purposes of this licensing procedure, "habitually been a law offender" is generally considered to be an arrest or conviction of at least two (2) offenses which are substantially related to the licensed activity within the five (5) years immediately preceding the license application. Because a license is a privilege, the issuance of

- which is a right granted solely to the Village Board, the Village Board reserves the right to consider the severity, and the facts and circumstances of the offense when making its determination to grant, deny or not renew a license. In addition, the Village Board, at its discretion, may, based upon an arrest or conviction of two (2) or more offenses which are substantially related to the licensed activity within five (5) years immediately preceding, act to suspend such license for a period of up to one (1) year or revoke the license.
- (5) If the Village Board denies the license, the applicant shall be notified, in writing, by personal service or certified mail, of the reasons for the denial. The notice shall also inform the applicant of the opportunity to appear before the Village Board and to provide evidence as to why the denial should be reversed. Written notice of any reconsideration shall be mailed to the applicant a minimum of seven (7) days prior to the Board meeting at which the application is to be reconsidered.
- (e) **Posting of License.** Every person licensed in accordance with the provisions of this Chapter shall post such license and keep the same posted in a conspicuous place on the premises.
- (f) **Suspension or Revocation of Licenses.** The Village Board may suspend or revoke any license issued under this Chapter, if, after giving the licensee the opportunity to be heard on the matter, the Village Board finds:
- (1) The licensee has violated a provision of this Chapter or any other law relating to the conduct of its operation including, but not limited to, federal, state or local laws;
 - (2) The licensee secured the license through misrepresentation or fraud regarding any material fact in the license application;
 - (3) The failure of the licensee to cooperate with law enforcement, fire or health authorities in any investigation relating to their operations or failure to admit law enforcement officers into the establishment at any time when people are present in the establishment;
 - (4) The establishment is operated in such a way as to endanger public health or safety; or
